## 2022 LEGISLATIVE RECEPTION

ON-THE-GROUND GRANTEEES OF THE CHESAPEAKE BAY TRUST

#### CITY OF MOUNT RAINIER

*Mayor Celina Benitez, City of Mount Rainier*

On a mission to become a model "green city," Mount Rainier added 16 rain gardens to an already established 26 green street elements that use bioretention to treat stormwater runoff.

#### LITTLE FALLS WATERSHED ALLIANCE

*Jack Sobel, Little Falls Watershed Alliance*

A Public Outreach and Stewardship Project using innovative and unique autonomous environmental robots for water quality monitoring, community engagement, and STEM-based educational opportunities.

#### HOWARD COUNTY CONSERVANCY

*Meg Boyd and Ann Strozyk, Howard County Conservancy*

An adapted "Watershed Report Card" program that gives Howard County students the opportunity to evaluate the health of their watershed and participate in meaningful watershed educational experiences.

#### KNOX PRESBYTERIAN CHURCH

*Adrienne Knight, Knox Presbyterian Church*

A native flowers and trees planting project that transformed into a "Paint-by-Numbers" campaign to engage the fellowship and local community.

#### SHORERIVERS

*Isabel Hardesty and Elle Bassett, ShoreRivers*

An innovative approach to engaging communities and volunteers in habitat restoration through a submerged aquatic vegetation restoration program that has precedent-setting restoration potential in Maryland waters.

#### TROUT UNLIMITED

*Seth Moessinger, Trout Unlimited*

A Sand Spring Run restoration project to enhance brook trout habitat and reduce sediment and nutrients.

## 2022 LEGISLATIVE RECEPTION
