

# Nature Scavenger Hunt

In celebration of our 25th Anniversary, can you find these 25 items in the natural world? Please leave items where you find them and leave no trace. Take pictures to remember your favorite finds!

Y-shaped branch

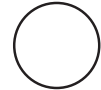

Bird in flight

A tree or shrub as tall as you.

Animal footprints

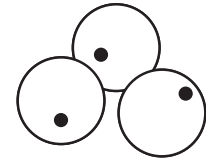

Something with holes.  
What do you think made the holes?

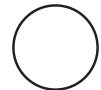

Rough tree bark

Nut or seed

Berry

Feather

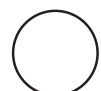

Something that smells good.  
What was it?

Tall grass

Tree

A rough rock or a smooth stone

A bug or insect.  
Draw it above.

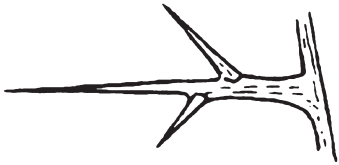

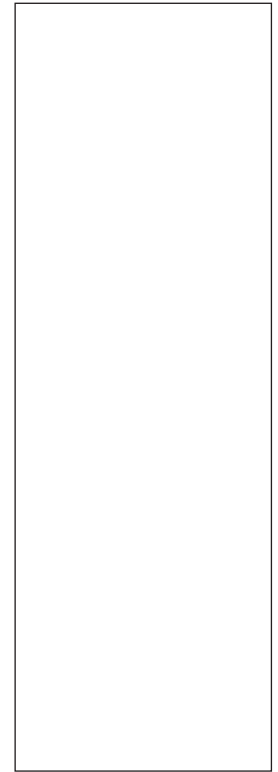

A mushroom or fungus

An animal that moves faster than you.  
What was it?

What was your favorite find?  
Tell us why here.

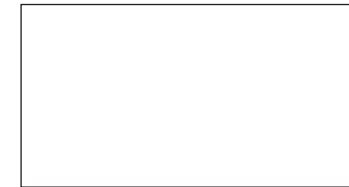

A plant with thorns

Something decomposing  
(rotting)

Evidence of an animal.  
What was it?

A leaf.  
Draw it above.

A pine cone or pine needle

Tree roots you can see

A nest.  
What do you think lives there?

A place where water collects.
