

2021 Summer Nature Day Camp Senior Camp Counselor

Job Description:

The Howard County Conservancy is a non-profit environmental education center with two locations in Woodstock and Elkridge, MD. Our mission is to educate children and adults about the natural world, preserve the land and its legacy and model responsible stewardship of the environment. Camps are week long day programs with extended day options available. Counselors design & co-lead our Summer Nature Camp Series for Campers ages 5-12.

Summer Camp Counselors gain the opportunity for personal and professional growth by joining our Camp team. The Camp staff team plans, prepares and runs environmental education lessons, as well as planning for free play, arts and outdoor games.

Key Responsibilities:

- Attend a mandatory week-long professional training (Date TBD: either June 7-11 OR June 14-18).
- Work with other counselors to plan and schedule Camp lessons.
- Follow approved lesson plans to implement quality activities for Campers.
- Manage day to day safety, wellness and behaviors. Implement behavior management strategies.
- Be an upbeat, energetic, focused member of the staff team.
- Daily positive interaction with parents; addressing concerns with Directors as needed.
- Assist with after care as needed.
- Maintain order and cleanliness of camp supplies and facilities.

Preferred Experience:

- At least one year of college completed
- Work experience with young children, preferably in a Camp setting
- Good communication skills, dependability, team mentality, and leadership abilities
- Valid Driver's License, own transportation
- CPR & First Aid Training

Time Commitment:

Counselor work dates: June 21 – August 20, 2021. Option to extend to August 27, 2021.

Counselor hours: Average day - 8:30 – 4:00, Monday – Friday. Before Care (8:00-8:45 am) duties split between counselors. *After Care (3:45-5:30 pm) may be offered depending on COVID-19 restrictions.*

Application Deadline: April 16, 2021

To apply: Please submit your resume and a cover letter via e-mail to Kylie Watson at camp@howardnature.org
